Kathy Culver presented the financials for the previous month. After discussion, they were unanimously approved.

For the month of August, we had 7 new members: 3 family memberships and 4 single memberships. The new members were approved unanimously.

In Nan's absence, Kathy Culver gave her report. Due to the court resurfacing, we have 2 teams that need replacement courts. Barnes rents out courts for \$65 per session. Donn made a motion to pay for court rentals. Kathy seconded. The motion passed 7-2. Also, nonmembers need to be current with their \$40 payment to play at Lake Murray Tennis Club.

Next, Chet reported on the premises. We will now have another garbage bin for recyclables, to help Pablo with trimmings, etc. It will be emptied once a week. The city has said they will see if we can get new guard rails and a walking path. Also, snakes are out, so stay out of the vegetation. Resurfacing will start on September 23 with courts 5-8. They will follow with courts 1-4, then last courts 9-10. The dynoblast will be extremely loud.

Management reported that Graham had fixed the leaks by the gazebo. The Grand Prix will be coming up in November. The club singles tournament has started. It will cost \$1200 per court to put in the anti-bird landing. Please wear correct shoes with round toed shoes and tennis shoes, not running shoes or trainers.

New Business was Nathan and Steve asking permission to have the Whites and Woods Tournament at Lake Murray Tennis Club. It would be on Saturday,

November 23 starting around 11:30-12:00. They would need all the courts, expect about 30 teams, play music and have strawberries and cream. All together it would take about 4 hours. Chet made a motion to accept the Whites and Woods Tournament at Lake Murray Tennis Club. Brian seconded the motion and the motion passed unanimously.

The meeting adjourned at 2:00 PM.
