Board Meeting 2/15/24

Present: Lynne Carry, Jamie Lawson, Denise Stefanson, Frank Riolo, Kathy Culver

Management: Dan and Kathy Emmerson

Minutes were approved.

Kathy reported we had larger than expected expenses last month. One reason was the 4th Quarter Bonus which was paid in January. Also, our investment CD at Pacific Western brought in approximately \$6300 in interest this year, compared to approximately \$400 in 2022.

Membership reported we have about 705 members which breaks down to:

263 Singles

143 Family

30 Juniors

Our membership list should soon be up to date and ready for using Court Reserve.

Leagues reports we have the following teams in place now:

2 teams of 10 and under

2 teams of 14 year olds

1 men's 3.5

1 men's 4.0

Social and Premises members were absent.

Management reported the mud and rocks that had come onto court 10 were cleaned. Also, several lights recently burned out, so

we are waiting until they can be repaired. Court 9 has a leaning net post. Court 10 needs a little digging done outside to keep the mud from flowing onto the court. A new employee has been hired at the front desk, Lily Wood.
