Lake Murray Tennis Club Minutes for Nov. 19, 2020

Present: Chet Snyder, Denise Stefanson, Lynne Carry, Ernie Kovacs, Erik Karlson

Management: Kathy and Dan Emmerson

The meeting started at 1:03 pm

The minutes had been previously submitted through email. The minutes were unanimously passed.

Upon the resignation of Greg Schmock Denise Stefanson has enthusiastically taken over the duties of treasurer! Lynne Carry will now resume duties as secretary as she is no longer needed in the position of league manager since there is no league play as of now.

Erik Karlson reported that there were 26 new members in Oct. for a total of 393! Membership renewal will be March 1, 2021. We need to redefine what constitutes a "family membership", i.e., how many unrelated persons constitute a family per household.

Chet Snyder has completed the gazebo repair and the total cost came to \$1,497.00. It needs painting and will be painted soon. Chet will order new cameras with lights and motion sensors for clubhouse.

Dan Emmerson distributed 3 bids for windscreens and recommends Court Tech do the job which also is the lowest bid at \$31,485.00. The courts will need rewiring of hardwire switches at a cost of \$170.00, due to electrical issues with rain. Dan also quoted us the price for 5 bench canopies to be placed between courts at a total of \$14,562.00. These benches have been long awaited by the club members for many years and we will get them in the new year. Kathy reported that we need 2 more umbrellas for tables and that parking lot lights have been fixed by the city! Dumpster is emptied weekly on Weds. Frank has completed the pro contract.

Meeting was adjourned at 1:49 pm.
