

## LMTC Minutes from Board Meeting October 21, 2021

\*\*\*\*\*

Present at meeting: Denise Stefanson, Ernie Kovacs, Chet Snyder, Greg Houska, Frank Riolo, Jamie Lawson, Kaye Listug, Lynne Carry, Dan Emmerson, Kathy Emmerson and Kathy Culver by proxy.

Minutes from 9/16/21 were read and approved.

Leagues: Lynne reports that we have 2 newly formed WTT teams at this time. The "Over the Hill" gang has been playing at ECCTA and not calling in for courts at this time.

Treasurer Kathy Culver by proxy reports that the club is in good financial health and guest passes have increased with a \$10 per court use fee.

Membership: Frank announced that we have 6 new memberships since last month for a total of 429 memberships. The club has 65 more memberships than last year at this time. And the courts are all being used most of the day.

Chet reports that the Sun Shade benches are on delivery from Florida and should arrive by October, 27th. They'll be assembled by Corey at 2 per day. The short fencing at court break will be removed to accommodate the benches. Jamie has volunteered to remove and paint the other court side benches once the new benches are installed. Chet has decided to cancel the original order for new water fountains since they haven't arrived yet. He has found another local company to order them from, and we should expect them soon.

A club social event has been planned for February 2022 with more details to follow. A Yonex demonstration day and team event is planned for May 2022.

Dan reports that time allotments for all courts need to accommodate both singles and doubles games as per club scheduling policy. Courts are very busy these days and time allotment can't be changed.

The "Whites and Woods" tournament was successful with a full slate of players.

Meeting adjourned at 1:25 pm.

Respectfully submitted,

Lynne Carry  
Secretary
