

## Lake Murray Tennis Club Minutes for 12/12/19

Present: Frank Riolo, Kaye Lustig, Kathy Culver, Denise Stefanson, Donn Goss, Nanette Herbuveaux, Chet Snyder

Management: Dan Emmerson, Kathy Emmerson

Guest: Tommy D.

The meeting minutes were sent out by email prior to the meeting so members could read through them ahead of time. Chet made a motion to accept the minutes with Kaye seconding the motion. The motion passed.

Nan reported one more new junior team wants to play and the previous groups will be moving up to the next level in the upcoming term. Ladies leagues are starting up again in January.

Chet indicated the resurfacing will restart on December 17th and the company is estimating the courts will be done within a week. Not as much repair work is necessary on courts 1-4 as there had been on the previous courts. There is some repair work to be done on court 10. The shed has been installed to great success with the pros and the project was under budget. Also, as soon as the city marks where we need to dig, we can get that done and the irrigation line can be finished.

Kathy Culver had sent out the financials and the membership report to the board members previously. We had one new single membership and 1 new family membership. Donn made a motion to approve the new members. Kathy seconded the motion. Motion passed.

Kathy Emmerson presented the management report. Court 2 needs a new net. We need more plastic chairs to replace ones which have broken. Chet will get some and drop them off at the clubhouse. Squeegees are all out and there is one per court. The old water heater which was replaced needs to be hauled away. Chet and Frank indicated they would take care of this. The Grand Prix tournament was cancelled due to weather conditions, but invitations to play in the desert were extended to all who had intended to play.

## New Business

Kathy Culver asked that management look into shade covers for the middle of the courts.

Donn wants to add to his budget since he has not yet finished refurbishing the gazebo area. Frank made a motion to approve an additional \$350 to complete this task. Kathy C. seconded the motion. Motion was approved.

The meeting adjourned at 1:37 PM.
